

Give a PERMANENT GIFT

Use memorial and honorary gifts to permanently memorialize a loved one through the dedication of:

- **A hospital room**
- **Special department areas**
- **Healing Garden features**

These tangible memorials or tributes are recognized by the placement of an engraved plaque in Edgerton Hospital. Recognition will also be prominently displayed on the donor walls.

Your Gift is a LASTING TRIBUTE

Since its inception, the Edgerton Hospital Capital Foundation has received many gifts from thoughtful donors. The result of these gifts is better medical care for you, your family and your community. You should feel proud that your gift will help to ensure that compassionate care will be available locally, far into the future.

About Us

The Edgerton Hospital Capital Foundation is a non-profit 501(c)(3) charitable organization whose mission is to provide on-going financial support for new advancements in medicine and future efforts to maintain quality health care in the Edgerton, Milton and surrounding areas.

Although Edgerton Hospital is financially strong, the need to continue a successful record of providing top-quality services through new equipment and campus development creates the need for private support. Be assured that your gift will be used wisely, and will serve as a reflection of your generosity and concern for others.

You may restrict your gift to be used for a specific purpose or department. An unrestricted gift will be put to good use in the area of greatest need. There are also opportunities available for you to remember Edgerton Hospital Capital Foundation in your will, trust, life insurance policy or retirement plan.

About the MEMORIAL & TRIBUTE PROGRAM

A memorial gift made to the Edgerton Hospital Capital Foundation is a testimony to the meaningfulness of a life that is no longer with us.

An honorary gift is a loving way to remember someone still living and show appreciation for their kindness, as well as to recognize their impact on your life.

The Edgerton Hospital Capital Foundation is happy to help you honor those you love and hold dear to your heart. Contributions of any size are graciously accepted and may be designated for Edgerton Hospital's greatest need, Healing Garden or a particular hospital area. Please know that your memorial or honorary gift will help to make top-quality, local health care available for years to come.
