Going the Distance for YOU in this challenging year!

Throughout the pandemic, the safe and compassionate care provided by the talented frontline workers at **YOUR** local hospital has not wavered. That is why as a Foundation, our goal is to provide new technological advances and tools so that they can continue to offer quality care for YOU and your loved ones. **YOUR gift will help to match a \$100,000 grant and help bring our X-Ray Vision campaign to life!***

"Whether our patients need an X-ray for an injury, a 3D mammogram, or chest imaging to guide treatment for COVID-19 or pneumonia, we always want to provide the highest level of care. Our goal is to make sure that we can continue to offer the very best for our friends, family, and neighbors!" *Katie Luebke, Medical Imaging Manager*

If you have already made a donation this year, thank you from the bottom of our hearts! Please consider making one more gift as we close out 2020. **Thank you for being a part of our family of HEROES! Stay well. Stay safe. Wash Hands.**

Gratefully Yours, Bonnie Robinson, Foundation Director
